

MEDIA AVAILABLE: Sun West Mortgage Allows Originators To Organize Their Sales Flow

For Immediate Release

CERRITOS, Calif./EWorldWire/Jul 8, 2008 --- ReverseSoft Online now features an enhanced My Pipeline, a sales management dashboard and tracking module. My Pipeline provides processors and loan officers with a view of the important aspects of their loan production.

My Pipeline allows users to track leads all the way through to closed loans from a single screen, giving them a 'bird's eye view' of their sales flow. The pipeline also displays key dates such as when counseling, title, and the appraisal were ordered and received for each loan. This enables the loan officer and processor to remain in compliance and follow up with third party vendors. Additionally, the pipeline displays the follow up date for each loan, allowing them to be prioritized effectively.

"Thanks to My Pipeline, I always know when a loan is submitted into underwriting," says Karla Ruiz of NMS Realty. "The feature also sorts my loans by their follow up date, so I'm able know their precise status," she adds.

My Pipeline is a comprehensive sales management tool, offering unparalleled value to today's busy reverse mortgage originator.

ReverseSoft Online is exclusively available to Sun West's partners. With this program, they can originate loans, draw vendor services and monitor their pipeline on a real-time basis, at no cost. To become a Sun West partner, mortgage correspondents can email sales@swmc.com or call Anthony Toro at (800) 453 7884.
