After donating over 32,000 face shields to hospitals across the country, Sun West Mortgage Company, Inc. is proud to launch a new social responsibility initiative with a direct outreach to heroes (doctors, nurses, U.S. military personnel, law enforcement, firemen and Emergency Medical Technicians (EMT), who we endearingly refer to as "Frontline Warriors." Our heroes can request delivery of a free, no obligation, face shield by completing a simple form on the Sun West site, [FrontlineWarriors.swmc.com](http://FrontlineWarriors.swmc.com). In addition, if a Frontline Warrior is interested in purchasing a home or refinancing their existing home, Sun West is offering a special **\$750 lender credit**<sup>1</sup> to all frontline warriors who registered on this site.

"This exclusive offer to save on a home is one of the ways we honor those who have made so many sacrifices for our country", said Pavan Agarwal, CEO of Sun West Mortgage. "We thank all frontline warriors for serving our community, and we are delighted to do our part to support them."

Sun West understands the importance of stepping up to serve the community during difficult times. With rates at record lows, this is a great chance to purchase a home or refinance an existing mortgage. Sun West is here to assist by making the mortgage process easy and helping to save their customers money too.
